

Dear Valued Customer

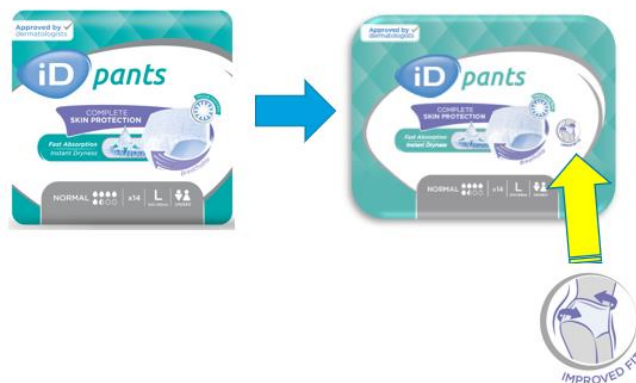

NEW and Improved iD Pants!

We are excited to announce that our iD Pants have NEW and Improved Technology! The new technology offers extra protection, comfort and discretion.

NEW features and benefits include:

- Y core channel absorbs 2.5 times faster
- Super soft waistband
- Complete skin care protection
- Less bulky between the legs
- Improved leakage protection
- 100% breathable

Please refer to the attached “NEW iD Pants Hyper Protection Flyer and frequently asked questions” for the replacement product code. See below the new iD Pants packaging.

If you have any questions please contact our Ontex customer service team on 1300 788 872.

Kind Regards

Ontex Australia

WE'VE GOT YOU COVERED!
